

Small Claims Court Digital Evidence Portal

Do You Have Evidence You Need to Submit for Your Small Claims Court Case?

The Court has a new, quicker and easier way for plaintiffs and defendants to submit evidence in small claims court cases. You no longer have to email the Court, you can now upload all your evidence including photos, videos and documents directly to the Court's digital evidence portal.

Scan the QR Code below to learn more.

All files will be encrypted and securely stored. You will have access to files at all times and can retrieve information on all platforms including computers and cellphones.

- **Simple Evidence Upload** Easily add files like photos, videos, and documents with just a few clicks.
- **Secure Storage** Your digital evidence is encrypted and stored safely, so you can trust it will be protected.
- **Accessible Anytime, Anywhere** Access your evidence from any device, whether you're at home or on the go.
